#### NORTH COLEMAN.

The fall wheat is looking pretty good. The first spring shower was last Monday afternoon.

John Smith is hauling alfalfa which he bought of Charles Cox.

William Neusbaum made an effort to get up a singing school at Spring Creek, but did not succeed.

William Peterson has bought Charles Cox's farm on the Redwillow and the Cox family will now embark for the state of Washington, where they expect to locate.

Many will try raising Kafir corn. It seems to be a pretty sure crop for those that have learned how to raise it, but Ellis Divine thinks that many beginners will fail.

There are great changes going on, this spring. H. T. Church has traded a farm in the sand-hills to H. Harper for his place and Mr. Harper will move there forthwith.

On Monday, as the sun was setting against a red sky there was a rain-bow—if it can be called a rain-bow—in the east, which was all red; the like I never saw before.

Next Friday will be the last day of the Spring Creek school. An entertainment will be given in the evening. The term has been successful; all honor to the teacher, Fred Hall.

Robert Neusbaum and a Miss Anna Culbert, whose homes were some twenty miles northwest of McCook, were married recently. The bride has a most musical voice which may have been instrumental in bringing about the match.

Now's the time, spring time. Take Rocky Mountain Tea; keeps the whole family well. A great medicine for spring tiredness. 35 cents. McConnell & Berry.

#### MARION.

Sowing alfalfa seed is in order. The Steele family were Oberlin visitors, Thursday.

Singing at Mr. Naden's, Wednesday evening, March 12th.

Pew Brothers shipped a carload of alfalfa hay to Kansas City, this week.

A number of our young people attended church at Laura Dell, Sunday evening.

Ed Listers' have moved to their old home. Gladys will continue school at Shiloh.

Daisy White entertained some young people at the home of M. E. White, Sunday.

William Harrison and wife, Dr. DeMay and Ed Crabtree from Danbury were Marion visitors, Tuesday.

The Shiloh district school will give an entertainment, Friday evening, March 14th, for the benefit of the school.

The section foreman and family came down from Cedar Bluffs, Kansas, on the hand-car and spent Sunday with D. Steele.

Harrison & Messner purchased some cattle from Mr. Johnson of Kansas and weighed them on the stock scales at Marion.

Mrs. Tom Dimmitt was a passenger from Marion to Danbury, last Saturday, this being the first lady passenger from this place.

How are you, anyway? Dr. Caldwell's Syrup Pepsin is a perfect laxative. Sold by A. McMillen.

#### DANBURY.

U. S. Leisure is improving slowly.

Pearl Hayes visited her sister, Mrs. T. F. Ball, last Saturday and Sunday.

The thunder rolled, the lightning flashed,—just a little shower,—last Monday evening.

A number of Lebanon people witnessed the Kirby-Hale wedding, last Wednesday afternoon.

Mrs. Bastian, a former resident of Danbury, came back for a visit with relatives and friends.

A. Strain has moved into his house in town, having rented his farm to Jacob Roesch for the coming year.

S. R. Messner has commenced moving to his farm east of town near Hamburg recently vacated by Jacob Roesch.

There is prospects for a local telephone line in town and continuing west as far as Marion and perhaps east to Lebanon.

Wallie Billings and wife and Fred Billings and wife of McCook are here, this week, helping take care of their father.

Invoicing began, last Monday, on the Otto Pulz stock of merchandise, preparatory to the change in firm, G. B. Morgan taking the stock.

Harley Woods arrived from Colorado Springs, last week. Some time ago, while at work out there, a teamster ran a wagon tongue into the small of his back, laying him up; is quite miserable yet.

Last Saturday, Simeon Billings drove out to Nelson Downs' in Bondville, on business, taking his brother Ob with him. In the evening they returned, coming past the Archibald place, where lives Ob, who got out, Simeon coming on toward Danbury. By some means unknown when he was near Mr. Schultz's place, he left the buggy, thereby receiving several bruises and scratches, and without knowing what he did or where he was going he started back on the road past his brother's place to Old Bondville, where Mr. Collings lives.

He routed Mr. Collings out who, after getting him into the light, saw it was Mr. Billings. He took him back to Ob Billings. It was then about 11 o'clock at night. Mr. B. could not remember anything that had happened to him; unconscious most of the time. Dr. DeMay and Mrs. B. of Danbury, were sent for as were also their two sons Wallie and Fred of McCook, who came, Sunday, and stayed with him until Monday afternoon, when he was brought home to Danbury. Dr. DeMay says he does not think him seriously injured, but badly bruised. Since his returned to Danbury he has been conscious most of the time, but from the time they left Mr. Downs' until after he was taken to his brother's he does not remember anything; not even when he left his brother.

Mrs. C. E. VanDusen of Kilbourn, Wisconsin, was afflicted with stomach trouble and constipation for a long time. She says, "I have tried many preparations but none have done me the good that Chamberlain's Stomach and Liver Tablets have." These Tablets are for sale at McConnell & Berry's drug store. Price 25 cents.

Horseless carriages, fuelless engines, and the wireless telegraph are the greatest innovations. Dr. Caldwell's Syrup Pepsin is next and cures constipation, indigestion, sick headache and stomach troubles. Sold by A. McMillen.
